

## NOTICE TO COMPETITORS

The following applies to all yachts in classes 1, 1 Alpha, 2, 3 and 4

Following on from the point raised during the Skippers Briefing on IRC Rule 21.1.5(d) concerning the number of sails that can be carried during the Regatta, it is clarified thus:

“All yachts may carry the inventory of sails that their IRC certificate allows. However if they wish to sail with less than the full inventory than their certificate allows during the Regatta, then for the RATI race they may carry up to their full inventory for that race only, but will revert to the same inventory of sails for the remainder of the regatta as were carried for the first two days”.

Jonathan Peel  
Chairman  
Regatta Committee
